Moving Checklist

Moving home can be very stressful and tiring so we have created this handy checklist. Take your time to read through all the points and remember that this is only a guideline.

Removal Date
- Have an inventory list of all items to move and provide it to us.
- Be prepared to supply details of both properties to us.

Approaching Your Removal Date
- Confirm booking and arrival time with us.
- Confirm dates with estate agents – confirm pickup time for keys.
- Confirm dates with legal representatives.

Packing
- Organise packing materials – boxes, bags, tape, marker pens etc.
- Make sure all boxes are labelled (especially if contents are fragile). It helps to also label the room for each box.
- All furniture that needs dismantling should be taken apart unless previously arranged.
- Any garden items are ready to go.
- Check the loft, basement and any other hidden rooms.
